

Happy New Year from Down For a Cure!

We want to start out by wishing everyone a happy and blessed 2024! We are going to unofficially name this year “2024 the Cure.” Researchers are getting so close and every dollar you donate to the cause helps us get that much closer to finding a cure for Cystic Fibrosis. And you continue to give hope to new parents by helping those with Down Syndrome live markedly better lives. The other piece of news we would like to alert you to is that we are just going to call this the newsletter and stop referring to it as a quarterly newsletter, that was just silly.

2023 Wrap-up:

What you all did in 2023 can only be described as INCREDIBLE.

- We blew away our previous yearly record and raised over \$130k ... incredible.
- We were able to donate more money to more causes than ever before as a result ... incredible.
- We sold out two golf tournaments in two different states ... incredible.
- We have gained more followers, more support and more help than ever before ... incredible.

You all are absolutely incredible and it just makes us that much more excited for the cause itself and for what is to come in 2024.

What to Expect for 2024:

We have some exciting changes coming in 2024. Because of the growth of Down For a Cure we are going to need your help. If we start asking for more information, it is only because we are being scrutinized more heavily when it comes to tax time! We are scrambling to keep this foundation running with zero paid employees, but we are getting close to having to change that.. not a bad thing.

Save the Dates:

April 1, 2024—We’re excited to once again host the Texas Drive Fore a Cure at Walden Golf Club in Montgomery, Texas. The flyer is attached in this email as well.

You can sign up today by going to <https://downforcure.mypaysimple.com/s/drive-fore-a-cure-golf-tournament>

August 10, 2024 ****NEW VENUE****—Colorado Drive For a Cure will be held at Pelican Lakes Golf Course in Windsor, CO.

For all you that have played in the previous years, obviously this is a major change as it is a new course and on a Saturday. Let me explain a little further. We have always wanted Drive Fore a Cure to be a family outing and we now have an opportunity to do so. Pelican has a private beach for families to come and enjoy a sunny Saturday afternoon for those that do not golf. While we will have much more detail in the near future, the idea is to have families come out to the beach while those that golf, play in the tournament and then we all come together on the beach for an EPIC luncheon filled with stories, auctions and prizes. We are working with local hotels for discounted rates close to the course.

Final Thought...

We have watched this foundation grow, along with our boys, over the last 7 years. We are continually humbled by the outpouring of support and generosity. What is often forgotten is where we started...at our kitchen table in Thornton, CO trying to come up with a catchy name. It was a small step that has made a huge impact. As you start off 2024 we would like to challenge you to not be intimidated by the size of the step you are taking...as small as it seems today, it will eventually snowball with the ability to make a massive IMPACT on your life and those around you. So we challenge you--take the step.

Thank You!
